If you believe you, a friend or family member would benefit from in-home care, talk to your doctor and then call the Visiting Nurse number at: 406-622-5485.

Homebound Visiting Nurse Service is the perfect choice if you have been discharged from the hospital but still need healthcare professionals to help you to get back to your normal daily activities. It can be for older adults or people with disabilities who want to remain independent in their homes, as well as people of any age who are chronically or terminally-ill.

Services are available only with a physician's referral.
